Dear Testypatient:

You are receiving this letter from us today because you have missed your appointment or are otherwise being discharged from our practice.

We will provide emergency care only for 30 days from the date of this letter as Florida law requires, after this period we will no longer be responsible for your care.

We will forward your medical records to a new physician of your choice for the usual fees allowed in this state.

Thank you for giving us the opportunity to provide care for you, we wish you every success in the future.

Sincerely,
